## Bareboat Skipper Qualifications

*Instructions:*

1. Read information below
2. Print and fill out the résumé on the following page
3. Fax to: **1-252-249-2011**

or Mail to: **Cape Lookout Yacht Charters**  
**PO Box 863**  
**Oriental, NC 28571**

Cape Lookout Yacht Sales & Charters' skipper qualifications for bareboat chartering are based upon previous boating experience. A captain's license, or bareboating certificate, is NOT required. To confirm your bareboat skipper qualification, please complete this brief résumé. Print and either fax to: 1-252-249-2011 or mail to: P.O. Box 863, Oriental, NC 28571. A Cape Lookout Yacht Sales & Charters' representative will contact you on your skipper status. It's that easy!

When completing the résumé, keep in mind that the size of yacht you charter will ideally be similar in size to those you have experience handling. Give us as much pertinent information as possible, so that we may help you select the most appropriate yacht for your vacation enjoyment.

No matter what your cruising experience may be, our vessels can provide you and your group with a memorable boating vacation. Captains are available for hire from one to three days, or for the duration of your charter. You may even take advantage of our Cruise & Learn program—you charter a yacht, and for a daily fee, our captain/instructor will teach you what you need to know to skipper your own vessel.

Please keep in mind that bareboating is a hands-on vacation. We expect our bareboat skippers to be seasoned boaters who will: station a watch, put out a second anchor if conditions warrant it and understand the use of the equipment and systems. Please understand that if you are unwilling to perform the duties of mastering the vessel, you will need a captain for your boating vacation.
